

NATIONAL INDUSTRIAL SECURITY ACADEMY

CENTRAL INDUSTRIAL SECURITY FORCE

NISA

NEWS

VOL. IV NO. 1

Quarterly House Journal

January – March 2002

The National Industrial Security Academy is a Centre of Excellence in industrial security and fire safety management. It is the premier training institution of the Central Industrial Security Force, engaged in organizing basic induction training and other professional and specialized courses for officers and men of CISF, police officers and corporate executives. The Mission of the Academy is to produce professionals in the field of industrial security management.

PASSING OUT PARADE

A Ceremonial Parade was held at 21st Feb 2002 on the occasion of passing out of 5th Batch SI/ASI(Fire) at FSTI, NISA. A total of 179 trainees participated in the parade and took oath of allegiance to the Constitution of India. Shri Syed Shahnawaz Hussain, Honorable Union Minister for Gvil Aviation was the Chief Guest on the occasion.

The Sub-officers who passed out had reported at the Fire Service Training Institute on 8/07/2001 after undergoing 18 weeks security training. At FSTI they were put through a rigorous training schedule for 32 weeks comprising of both Indoor and Outdoor subjects. The indoor subjects ranged from science and technology in the field of fire prevention, protection and execution and operation of fire equipments/ appliances and installation. The outdoor curriculum consisted of physical training various fire drills, handling of various fire equipments, tactic al exercise, mock drills, fire demonstration etc.

In his address Shri Hussain said that he was highly impressed by the sincerity, dedication and hard work of CISF Officers and men deployed in the airports and emphasized that aviation sector will become the most important area of responsibility of this unique organization with multifarious responsibilities. He dwelt upon the internal security environment in the

country and threat perception, referred to the recent incidents of Kandhar, attack on WTC & Pentagon, attack on Indian Parliament and American Centre and emphasized that the CISF has a major responsibility to shoulder in providing security cover to Airports in the country. He also referred to the fire hazards and stressed upon the importance of the CISF fire fighting wing in safeguarding the industrial assets from fire

hazards. Shri Hussain expressed his happiness over the fact that National Industrial Security Academy, which was upgraded into a Academy barely a decade back, is now recognized as a "Centre of Excellence" in industrial security management.

Shri P V K Reddy, IPS, Dy Inspector General, NISA gave the introductory address. In his speech, Shri Reddy stated that the CISF Fire Service is providing effective fire protection coverage to

84 industrial undertakings and that there have been instances at Nagothane & Vizag where the fire personnel have made a supreme sacrifice by laying down their lives while serving the nation. In an era of liberalization and globalization, fire safety management is a core competence area where the Force can focus upon to retain and even expand its clientele. New forms of terrorism like bio-terrorism, nuclear terrorism etc constitute a serious threat to democratic society which require a very high degree of professional competence on the part of armed forces, Shri Reddy added.

Shri Syed Shahnawaz Hussain, Honorable Union Minister for Civil Aviation taking salute at the parade

Shri B.B Nanda, then DG, CISF inaugurating the Training Block.

INFRASTRUCTURE DEVELOPMENT

A number of new buildings were inaugurated in the academy campus during the first quarter of this year. Shri B B Nanda, IPS, the then DG, CISF inaugurated the Training Block on 11.01.2002. The hexagonal Training Block houses a state-of-the-art Computer centre, a Conference Hall and 10 class rooms besides offices for the faculty. Subsequently Smt Manga Reddy, President, NISA Family Welfare Center, inaugurated a 20-bedded hospital constructed at an approx cost of Rs 1.7 Crores. The hospital would cater to the health care needs of about 500 families residing in the campus besides those of the trainees. An Operation Theatre, a Dental unit and a Homeopathic centre are envisaged to be developed in the complex in near future. A Medicinal Plants garden adjacent to the hospital covering an area of 600 sq. meters where in about 60 species of different medicinal saplings were planted was also inaugurated by Shri B B Nanda. There after Shri P V K Reddy, DIG, NISA, inaugurated Single Living Accommodation (Block A) for Sub Officer trainees with the capacity to house 150 Sub Officers. This building also comprises an officer's mess and recreation room and has been constructed at a cost of Rs. 4.68 crores.

Shri Reddy inaugurated a new Bank building at NISA, Hakimpet on 24th Jan 2002. The Bank building will house the existing extension counter of State Bank of Hyderabad in the campus which caters to the banking demand of the entire staff and trainees of NISA and those of the residents in the surrounding localities. Covering an area 261 sq metres, the Bank is an impressive building and consist of 7 customer counters. Subsequently Shri S B Jhamb, Chief Engineer, CPWD, Hyderabad inaugurated a new Post Office building which covers an area of 128 sq metres. The facility is designed to cater to the needs of frequent transactions made by the staff and trainees of the academy. The two buildings have been constructed at a cost of Rs. 26.79 lakhs

The above facilities will go a long way in augmenting the training infrastructure of the Academy.

Inauguration of Hospital by President, Welfare

WEB SITE

A new chapter was added in the illustrious history of Academy when NISA Website was launched by DG, CISF on 11.01.2002. The website gives full details of the facilities available in the academy and various training programs conducted for CISF personnel and other organisations at the Academy. Launching of the website is part of the ongoing efforts being made to integrate information technology in training activities of the Academy. Proposal for a Local Area Network (LAN) has been approved and another proposal for a Multi-User Computer -Based Simulated Training System for imparting training on X-ray baggage inspection system used in aviation sector is also under process.

REPUBLIC DAY CELEBRATIONS

A colourful parade was organized on 26th Jan 2002 at NISA Parade Ground to mark the Republic Day Celebrations. Shri. P V K Reddy, DIG, NISA took the salute. Speaking on the occasion, Shri Reddy dwelt upon the incidents of 11th Sept and 13th Dec and called upon the force personnel to maintain a very high standard of professional excellence so that they are second to none in shouldering the onerous responsibilities of defending the Nation.

Shri Reddy also gave away prizes to children who participated and excelled in drawing and painting competitions held at the academy.

VISIT OF NEW DG /CISF

Shri H J Dora, IPS, who took over as DG CISF on 23.02.2002, paid a visit to this Academy on 06.03.2002. He was conducted around the campus and also addressed the trainees of Sub Inspector(Exe) Basic course. Interacting with faculty members, Shri Dora dwelt upon the challenges facing the nation and emphasized on the need for a very high degree of operational alertness. Since response time is of fundamental importance in a crisis situation, the officers and men of the force must be trained to respond effectively and quickly in the event of terrorist attack, he added. The new DG again visited NISA on 26.03.2002 and interacted with participants of PPC (Sr Comdt to DIG and Dy Comdt to Comdt).

Visit of Foreign Police Delegation

DG, CISF interacting with PPC Participants

VALEDICTION

Shri B B Nanda, DG, CISF valedicted the Disaster Management Course for District Level officers at NISA on 11.01.2002. A total of 23 officers from different state police departments, medical services and CPOs attended the 4-week long course which commenced on 17.12.2002.

Speaking on the occasion Shri B B Nanda said that recent events in USA and the terrorist attack on Indian Parliament have fundamentally altered our entire approach and thinking on issues pertaining to security and disaster management.

He further said that we need to develop internationally accepted procedure so as to save maximum lives of the victims in the post disaster environment as first responders.

VISIT OF FOREIGN POLICE DELEGATION

40 police officers from countries like Bhutan, Botswana, Ghana, Indonesia, Iraq, Jamaica, Kenya, Malaysia, Mauritius, Myanmar, Namibia, Nepal, Palestine, Panama, Papua New, Sri Lanka, Tanzania, Uganda, Vietnam and Zambia visited NISA on 06.02.2002 as part of their courses on "Information Technology in Law Enforcement and "Advanced Finger Print Science & Computers" organized by National Crime Records Bureau. Addressing the officers Shri Reddy, DIG, NISA highlighted the multifarious role of CISF in Industrial Security management of over 267 PSUs and airports besides internal security assignments in terrorist and insurgency affected areas. A special presentation was made for the officers highlighting the various aspects of training at NISA. A demonstration of various security gadgets, fire gadgets and IEDs was organized at technical centre. The visiting delegation was highly impressed with the quality of expertise and infrastructure in NISA.
