### **THE SUCCESS MANIFESTO: 07 POWERFUL IDEAS FOR AN EXTRAORDINARY LIFE**

1. Set aside one hour every morning for personal development matters. Meditate, visualize your day, read inspirational texts to set the tone of your day, listen to motivational tapes or read great literature.
2. Do not allow those things that matter the most in your life be at the mercy of activities that matter the least. Every day, take the time to ask yourself the question "is this the best use of my time and energy?" Time management is life management so guard your time with great care.
3. Remember that your expectations create your reality and life pretty much sends you what you think and expect.
4. Throughout the day we all get inspiration and excellent ideas. Capture them. Keep a set of cards (the size of business cards; available at most stationary stores) in your wallet along with a pencil to jot down these insights.

When you get home, put the ideas in a central place such as a coil notepad and review them from time to time. As noted by Oliver Wendell Holmes: "Man's mind, once stretched by a new idea, never regains its original dimensions."

5. Set aside every Sunday evening for yourself and be strongly disciplined with this habit. Use this period to plan your week, visualize your encounters and what you want to achieve, to read new materials and inspirational books, to listen to soft soothing music and to simply relax. This habit will serve as your anchor to keep you focused, motivated and effective throughout the coming week.

6. Always remember the key principle that the quality of your life is the quality of your communication. This means the way you communicate with others and, more importantly, the way you communicate with yourself. What you focus on is what you get. If you look for the positive this is what you get. This is a fundamental law of Nature.

7. Stay on purpose, not on outcome. In other words, do the task because it is what you love to do or because it will help someone or is a valuable exercise. Don't do it for the money or the recognition. Those will come naturally. This is the way of the world.

## SOME REFLECTIONS FROM MAHATMA GANDHI....

A 'No' uttered from the deepest conviction is better than a 'Yes' merely uttered to please, or worse, to avoid trouble.

A principle is the expression of perfection, and as imperfect beings like us cannot practice perfection, we devise every moment limits of its compromise in practice.

Always aim at complete harmony of thought and word and deed. Always aim at purifying your thoughts and everything will be well.

Faith... must be enforced by reason... when faith becomes blind it dies.

An error does not become truth by reason of multiplied propagation, nor does truth become error because nobody sees it.

First they ignore you, then they laugh at you, then they fight you, then you win.

Honest disagreement is often a good sign of progress.

Human society is a ceaseless growth, an unfoldment in terms of spirituality.

I claim that human mind or human society is not divided into watertight compartments called social, political and religious. All act and react upon one another.

I do not want to foresee the future. I am concerned with taking care of the present. God has given me no control over the moment following.

If we are to teach real peace in this world, and if we are to carry on a real war against war, we shall have to begin with the children.

Infinite striving to be the best is man's duty; it is its own reward. Everything else is in God's hands.

It has always been a mystery to me how men can feel themselves honoured by the humiliation of their fellow beings.

Live as if you were to die tomorrow. Learn as if you were to live forever.

The weak can never forgive. Forgiveness is the attribute of the strong.

**TEACHER:** Why are you late?

**MOHAN :** Because of the sign.

**TEACHER:** What sign?

**MOHAN :** The one that says, "School Ahead, Go Slow."

**TEACHER:** Rita, why are you doing your maths sums on the floor?

**RITA :** You told me to do it without using tables!

## MATHEMATICS OF LIFE

*A SMALL TRUTH TO MAKE LIFE 100%*

If

ABCDEFGHIJKLMN OPQRSTUVWXYZ

Is Equal To

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

**Hard Work**

$$H+A+R+D+W+O+R+K = 8+1+18+4+23+15+18+11 = 98\%$$

**Knowledge**

$$K+N+O+W+L+E+D+G+E = 11+14+15+23+12+5+4+7+5 = 96\%$$

**Love**

$$L+O+V+E = 12+15+22+5 = 54\%$$

**Luck**

$$L+U+C+K = 12+21+3+11 = 47\%$$

( Don't most of us think this is the most important ??? )

Then what makes 100% ?

Is it **Money** ? ... NO !!!

$$M+O+N+E+Y = 13+15+14+5+25 = 72\%$$

**Leadership** ? ... NO !!!

$$L+E+A+D+E+R+S+H+I+P = 2+5+1+4+5+18+19+9+16 = 89\%$$

Every problem has a solution, only if we perhaps change our attitude.

To go to the top, to that 100% ,

What we really need to go further... a bit more...

**ATTITUDE**

$$A+T+T+I+T+U+D+E = 1+20+20+9+20+21+4+5 = 100\%$$

It is **OUR ATTITUDE** towards Life and Work that makes Our Life 100% !!!

**ATTITUDE IS EVERYTHING**

Change Your Attitude ...

And You Change Your Life !!!
